

Cooler Lockouts

Self-contained cooler hasp lock

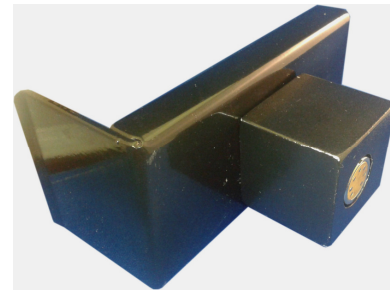

ROCK SOLID
SECURITY

No Exposed Shackle Snap Shut Design

Unlike traditional padlocks, there is no exposed shackle. Matches the sleek streamlined design of your cooler.

**Double Door Version
Now Available!!!**

- **Simple snap shut design**
- **Double Door and Single Door models available**
- **Internal locking mechanism, no exposed shackle**
- **Works with standard cooler padlock hasp**
(hasp is additional, double door requires hasp specific to make/model—please specify)
- **Utilizes Van Lock's proprietary flat face locking design**
- **All codes are registered and secure**
- **Available with our unique **Vanamatic Feature**. This feature allows for a quick change of combinations within seconds and is available only through Van Lock.**
