Secure Double Door Coolers!

No more ugly padlocks and chains!

Simple snap-shut design

Installs in less than 5 minutes

CoolerCube2

- Fits Habco and True brand double door coolers
- Secures doors by blocking doors from pulling open
- Installs easily by mounting to the center post of the cooler
 - The bracket mounts to center post and the cube portion, when locked, snaps on to the bracket and blocks doors from swinging open.
 - True installations utilize existing screws and screw holes.
 - Habco installations will require (2) self-taping screws.
- Can be keyed alike, keyed differently, or master keyed
- Cube is made from lightweight aluminum and powder coated with a glossy black finish
- Black rubber pads protect cooler doors and allow for snug fit
